Talking Timer Instructions

This product requires 2 AAA batteries.

- **Insert the batteries into the battery compartment located on the back of the timer**
- **The display will show "0:00 00" if the batteries have been installed correctly.**

- **To set the countdown timer, press "HOUR" button to set hour and /or "MINUTE" button to set minute continuously until desired time is displayed and announced.**

- **Once the desired time has been announced, press the "ON/OFF" button to start, and the timer will say " countdown timer is ON" .**

- **To turn off the timer counter, just press "ON/OFF" button again. It will say" countdown timer is off and announce the current time".**

- **To continue the timer countdown, press the "ON/OFF" button again. It will announce the current time left and keep countdown again.**

- **To hear the remaining time left at any point, press the "TALKING" button once.**

- **The timer will announce the left time from 10, 9, 8 …..to 1 for last 10 seconds.**

- **Once the timer countdown is complete, the timer announces "0 hour, 0 minute" and has a beep beep sound. To turn the timer alarm off, press the "ON/OFF" button once.**

- **To clear the timer while still in countdown mode, press the "ON/OFF" button for 3 seconds. The timer will announce "Timer Off", and the display will show "0:00 00. Then, press the "HOUR" or "MINUTE" key to reset the time and minute.**

- **The maximum countdown time is 23 hours and 59 minutes.**
